

1 A I frankly can't recall that bar now. It did
2 not fulfill the criteria for what I thought the instrument
3 could have been to inflict those injuries and I so informed
4 the sheriff.

5 Q Did you ever receive any information with
6 respect to a tire iron, the old fashion type of tire iron?

7 A I know what you mean; no, but I had considered
8 that initially in my discussions with the sheriff as being
9 a possible instrument. However, it didn't fulfill some of
10 the criteria but they vary in shape and so I thought that that
11 was a possibility, to the best of my recollection.

12 MR. MOSES: Thank you very much, Doctor. I have no
13 further questions.

14 MR. RACICOT: We would have no further questions and we ask
15 that he be excused.

16 MR. MOSES: I have no objection to excusing him.

17 THE COURT: Thank you, Doctor Pfaff.

18 WHEREUPON this witness was EXCUSED.
